COVID-19 Update:

*As of this afternoon, we have a total of 3 staff members and 6 residents that have tested POSITIVE for COVID-19. All are doing well at this time.*

Due to the current spread of COVID-19 in our facility, we are asking everyone to minimize visitation. If you must visit, the following must be adhered to:

- Screen upon entry
- Mask at all times
- Remain in your loved one's room, no wondering the halls
- Adhere to the core principles of infection control
- If you have symptoms or potential exposure, please do not visit.

We appreciate your continued support during this pandemic.
